INDEX

Volume 40 including Supplements 80–83

Abnormalities, skeletal, in the offspring of white rats given protamin zinc insulin during pregnancy, 254
Acidosis, chronic, in infants due to renal tubular deficiency; its association with metastatic calcification, 371
diabetic, potassium studies in, 198
renal, case of, 572
Acrodynia, hypertrichosis in, 61
ACTH and cortisone treatment of acute rheumatic fever, 502
effect of, in children with nephrotic syndrome, 255
on the eosinophile leukocytes in premature and full-term children, 369
Activity, diastatic, of the blood in children, 181
Adrenal cortex insufficiency in infants, 249
glands, weight and structure of, and factors affecting them in children of 0—2 years, Suppl. 81
Ahvenainen, E. K., 1
Alexandre, M., 254
Aminopterin treatment in leukemia in childhood, 127
Anatomy, morbid, of erythroblastosis fetalis and its relation to the Rh-factor, 41
Anemia of infection, 573
Angiocardiography, electrocardiographic investigations after, 250
Aniline pencils and gastric lavage, 573
Anoxia in infantile dehydration, 10
Antibiotic treatment of sinusitis in children, 461
Antibody defence of prematures, 363
Arthrogryposis multiplex congenita and Werdnig-Hoffmann's infantile muscular atrophy, urinary excretion of creatine in, 576
Asphyxia neonatorum, lower nephron nephrosis in, 401
Asthmatic attacks of unusual etiology, 362
Atelectasis, acute infectious, simulating bronchopneumonia in infants, 24
Aureomycin treatment of bacillus coli-meningitis in newborn premature infant, 174
of epidemic infantile diarrhea and vomiting, 311
Auricular septal defect and pulmonary stenosis, 459
Autonomic nervous system in fibrocystic disease of the pancreas, 349
d'Avignon, Marcel and Melin, K.-A. 368
and Norstedt, S., 70

Bacterium bifidum in healthy infants, Suppl. 80
coli Neapolitanum, 302
Barnett, H. L., 255
Bastrup-Madsen, P., 85
BCG, diagnostic test by, 70
vaccinated children, follow-up study, 458
vaccination, primary tuberculous infection in children after, 254
percutaneous tuberculin test (patch test), in relation to, 461
Bengtsson, Elias, 569
Bergen, Children's Hospital, 218
Bergquist, E. and Jorup, S., 461
Bergstrand, C. G., 82 (B. Rev.)
Hellström, B. and Jonsson, B., 251, 369, 502
Bergstrand, H., 349
Bjelkhagen, I., Kristiansen, G. and Lindblad, Y., 460
Block, total, and heart dynamics, 365
Blood in children, diastatic activity of, 181
pressure; hypertension in children, 463
volume during the first period of life and total hemoglobin content, 367
Book reviews:
Endocrine Disorders in Childhood and Adolescence, 82
Lehrbuch der Pädiatrie, 256
Parenteralflüssigkeitstherapie im Kindesalter, 467
Praxis der antibiotischen Behandlung im Kindesalter, 576
Breast-milk dyspepsia, colon peristalsis in, 250
Bronchopneumonia in infants (acute infectious atelectasis), 24
Böök, J. A., 574

Calcification, metastatic, association with chronic acidosis in infants due to renal tubular deficiency, 371
Calcium and vitamin D requirements during childhood, 255
Camps, summer vacation, of diabetic children, 360
Canicola disease (Leptospira canicola), 560
Carbohydrate-rich diet and insulin in treatment of progressive muscular dystrophy, 462
Cardiac, dynamics in total block, 365
Caries, circular dental, 465
Carlgren, L. E., 566
Carlström, Gun, Ström, L. and Vahlquist, B., 361
Celiac disease, hypertrichosis in, 64
Centre International de l'Enfance, 465
Chloromycetin in pertussis, 369
Choriomeningitis, acute lymphocytic, 550
Clinical picture of precocious puberty, 261
Coarctation of the aorta, roentgenologic appearances of, 566

Colon peristalsis in so-called breast-milk dyspepsia, 250
Complications, late, in diabetic children treated with "free" diet, 360
Congenital hypothyreosis examined by electroencephalography, 368
pneumonia, 1
tuberculous infection, 366
Congress: Tenth Northern Pediatric Congress, Suppl. 83
Cortisone and ACTH treatment of acute rheumatic fever, 502
dermatomyositis treated with, 462
Coxsackie virus, different types of, 571
infection, 235, 251
clinical aspects of, 571
Craniostenosis and vitamin D resistant rickets, 449
Creatine, urinary excretion of, in infants with arthrogryposis and Werdnig-Hoffmann's disease, 576
Cystinosis, de Toni-Fanconi syndrome, 438

Dahlström, E. A., 235, 251
Danowski, T. S., et al., 198
de Toni-Fanconi syndrome with cystinosis, 438
Deficiency, renal tubular, chronic acidosis in; its association with metastatic calcification, 371
Degeneration, multiple (mandibular facial dysostosis), 143
Dehydration, infantile, anoxia in, 10
Dental caries, circular, 465
Dermatomyositis treated with cortisone, 462
Diabetes, "free" dietary treatment, late complications in, 360
renal function in children given "free" dietary treatment, 361
skeletal age in diabetic children, 486
somatic and mental views on summer vacation camps of diabetic children, 360
treatment with insulin mixtures, 457
Diabetic acidosis, potassium studies in, 198
Diagnosis, of congenital malformations of the heart, 566
test with BCG, 70
Diarrhea, infantile epidemic, 302
Diastatic activity of the blood in children, 181
Drabløs, A., 438
Ductus arteriosus Botalli, operated upon, follow-up study of, 459
Dysostosis, mandibular facial, a new syndrome of multiple degenerations, 143
Dyspepsia, breast-milk, colon peristalsis in, 250

Eek, S., 566
Ehrenpreis, Th., 227, 459
Ekström, G., 459

Electrocardiography, changes in scarlet fever patients, follow-up study of, 370
investigations after angiocardiography, 250
W. P. W. syndrome in a one year old child, 233
Electroencephalography in congenital hypothyreosis, 368
in enuresis, 496
and epilepsy, 567
Electrophoresis, demonstration of an apparatus for, 460
Electroretinogram in children during the first year of life, 569
Embryopathy, congenital hydrocephalus in a newborn infant, epidemic hepatitis in the mother in the second-third month of pregnancy, 239
skeletal abnormalities in the offspring of white rats given protamin zinc insulin during pregnancy, 254
Encephalitis, hog (Leptospira pomona), 560
Japanese B-, 555
lethargic, 550
Russian forest-spring, 555
St. Louis, 533
Western and Eastern horse, in human beings, 553
Encephalomeningitis in children, 541
Enell, H., 458
Enuresis, electroencephalogram in, 496
Eosinophil cells, effect of ACTH in premature and full-term children, 369
technique of counting, 251
Epidemic infantile diarrhea and vomiting, 302
Epilepsy and electroencephalography, 567
treatment with drugs of the tridione-group, 567
Erythroblastosis fetalis, morbid anatomy of and its relation to the Rh-factor, 41
Exanthema subitum, experimental inoculation of, 457

Falk, G., 570
Fanconi, G., 409
and Wallgren, A., 256
Fat children (Hilde Bruch), 255
Feeding of infants with mare's milk, 94
Fibrocystic disease of the pancreas, a disorder of the autonomic nervous system, 349
meconium ileus and Hirschsprung's disease, 227
Fibroplasia, retrolental, 255
follow-up examination of babies born between 1940 and 1949, 460
Frantzell, A., Hagberg, B. and Söderhjelm, L., 576
Frisell, Erik, Suppl. 80
Werner, B., Laurell, G. and Magnusson, J. H., 302

Gabinus, O., 571
Gammaglobulin in pediatric practice, 572
Gard, Sven, and Johnsson, Torsten, 571
Gargoylism, 165
Genetics and pediatrics, 574
Gladnikoff, H. and Jacobsson, E., 460
Glomerulus, disorders of, 413
Glutamic acid, treatment, in cases of mental retardation, 459
in oligophrenic children, 462
Greenman, L., et al. 198
Guest, G. M., Warkany, J. and Lichtenstein, H., 254
Gunnarson, Siv and Melin, K.-A., 496
Gyllenswärd, C., 285
Gyllenswärd, Å., 362, 572

Hagberg, Bengt, 519, 573
Söderhjelm, L. and Frantzell, A., 576
Hagströmer, A., 370
Hallman, Niilo, Kalliala, H. and Seleste, E., 94
Hand-Schüller-Christian disease, case of, 572
Hansted, Chr., Munck, J. and Jersild, T., 118
Heart, auricular septal defect and pulmonary stenosis, 459
anamnesis in myocarditis in children, 569
congenital malformations of, diagnosis of, 566
contraction phase, relation to cardiac silhouette, 253
ductus arteriosus, operated upon, follow-up study of cases, 459
dynamics in total block, 365
roentgenologic appearances in coarctation of the aorta, 566
W. P. W. syndrome, 572
Hedlund, P. and Mossberg, H. O., 369
Heikel, P. E. and Hernberg, C. A., 486
Hellström, Bo, 467
Jonsson, B. and Bergstrand, C. G., 251, 369, 502
and Vahlquist, B., 189, 457
Hellström, E. A. and Melin, K. A., 459
Hemangio-endotheliosarcoma, primary, in the liver of children, 431
Hemoglobin, content of total, and blood volume during the first period of life, 367
Henriksen, G., 567
Hepatitis, epidemic, in the second-third month of pregnancy — hydrocephalus in the newborn infant, 239
Herlitz, G., 463, 465
Hernberg, C. A. and Heikel, P. E., 486
Herpes zoster, encephalomeningitis in, 549
Hesselman, B. E., 366

Hirschsprung's disease and meconium ileus, 227
new aspects on pathogenesis and treatment, 459
Holzel, A., 59
Hospital, Children's, in Bergen, 218
Hultman, A., 461
Hutchison, J. H. and MacDonald, A. M., 371
Hyaluronidase as an aid to urography in children, 460
Hydrocephalus, congenital, in a newborn infant, epidemic hepatitis in the mother in the second-third month of pregnancy, 239
Hygiene, mental, and religious dogmatic superstition, 362
Hypertension in children, 463
Hypertrichosis in childhood, 59
Hypothyreosis, congenital, examined by electroencephalography, 368

Ileus, meconium and Hirschsprung's disease, 227
Imerslund, Olga, 449
Immunity in tuberculosis, experimental studies with radioactive tubercle bacilli, 213
Infection, anemia in, 573
Coxsackie virus, 251, 556
herpes virus, 548
Infusion apparatus, demonstration of, 569
Inoculation, experimental, of exanthema subitum, 189, 457
and poliomyelitis, 570
Insulin and a carbohydrate-rich diet in treatment of progressive muscular dystrophy, 462
mixtures, treatment of diabetes with, 457
protamin zinc, in pregnant white rats (skeletal abnormalities), 254
Intoxication, water, 573
Iron compound for intravenous therapy, 252
therapy, intravenous, in pediatrics, 519

Jacobsson, E. and Gladnikoff, H., 460
Jersild, T., Hansted, Chr. and Munck, J., 118
and Mehlsen, S., 127
and Riskaer, N., 24
Jochims, J., 576
Johnsson, Torsten and Gard, Sven, 571
Jonsson, Bengt, 251, 401
Bergstrand, C. G. and Hellström, B., 251, 369, 502
Jorup, Sigvard and Bergquist, E., 461
and Kjellberg, S. R., 250

Kalliala, H., Seleste, E. and Hallman, N., 94
Karlberg, Petter, Lind, J. and Stahlman, M., 367
Kerpel-Fronius, E., et al., 10

Kjellberg, S. R. and Jorup, S., 250
Kristiansen, H., Lindblad, Y. and Bjelkhagen, I., 460
Krämer, R., 459
Kun, K., et al., 10
Kåss, A., 239
Köhlin, P., 569

Lagercrantz, Rutger, 576
Larsson, Y., 457

and Wedholm, C., 360
Laurell, Gunnar, 568
Magnusson, J. H., Frisell, E. and Werner B., 302
and Werner, B.,174
Leptospirosis, 558
Leukemia in childhood, aminopterin treatment, 127
Levander-Lindgren, Maj, 370
Levine, S., 255
Lichtenstein, A., Larsson Y. and Ploman, K. G., 360
Lichtenstein, H., Guest, B. M. and Warkany, J., 254
Lind, J., Stahlman, M. and Karlberg, P., 367
and Wegelius, C., 253, 265
Lindahl, Jonas, 571
Lindblad, Y., Bjelkhagen, I. and Kristiansen, H., 460
Lindgren, M., 233
Lingen, Chr., 460
Liver, (primary hemangio-endotheliosarcoma), 431
Lysozymes, of mare's milk, 102
Löfvenberg, J., 462

MacDonald, A. M. and Hutchison, J. H., 371
Magnusson, J. Henning, (In Memoriam) 259
Frisell, E., Werner, B. and Laurell, G., 302
Werner, B. and Laurell, G., 174
Malformation factor, new?, 370
Malmnäs, G., 364
Mannerheim, B., 462
Mannheimer, E. and Melin, K. A., 250
Marasmus, hypertrichosis in, 65
Mare's milk, use of in infant feeding, 94
Mateer, F. M., et al, 198
Meconium ileus and Hirschsprung's disease, 227
Meetings (See Proceedings)
Megacolon, new aspects of pathogenesis and treatment, 459
Mehlsen, S. and Jersild T., 127

Melin, K. A. and d'Avignon, M., 368
and Gunnarson, Siv, 496
and Hellström, A., 459
and Mannheimer, E., 250
Meningitis, abacterial (aseptic) in children, 541
(coli), aureomycin treatment in newborn premature infant, 174
Mental hygiene and religious dogmatic superstition, 362
retardation, glutamic acid treatment in, 459
Mermelstein, H. A. et al., 198
Milk, mare's, use of in infant feeding, 94
Mineral metabolism of bone, the effect of vitamin D on, 568
Mongolism, problems concerning, in newborns, 338
Mononucleosis infection, encephalomeningitis in, 549
Mortality, neonatal, 285
Mossberg, H.-O., 261
and Hedlund, P., 369
Munck, J., Jersild, T. and Hansted, Chr., 118
Muscular diseases in children, some observations on, 572
dystrophy, progressive, treated with insulin and a carbohydrate-rich diet, 462
Myocarditis in children, anamnesis in, 569
interstitial, isolated, unknown etiology, 85

Neonatal mortality, 285
Nephritis, distal tubular in newborns, 251
Nephrosis, in a child less than 3 $^1/_2$ years of age, 570
lower nephron, in asphyxia neonatorum, 401
Nephrotic syndrome, effect of ACTH in children, 255
Nervous system, autonomic, fibrocystic disease of the pancreas as a disorder of, 349
Newborn, adrenal cortex insufficiency, 249
asphyxia with lower nephron nephrosis, 401
distal tubular nephritis in, 251
hydrocephalus, epidemic hepatitis in the mother in the second—third month of pregnancy, 239
problems concerning mongolism, 338
Nicopoulos, J. B., 181
Nielsen, O. Steinicke, 431
Norstedt, S. and d'Avignon, M., 70
Nosocomial staphylococcal infections in children, 568
Nutrition, deficiencies, 285
"free" dietary treatment of diabetic children, late complications in, 360
requirements of calcium and vitamin D during childhood, 255

Obesity (Hilde Bruch), 255
